Appointment of Peter Ian Richards as a non-executive director

The directors of Emeco Holdings Ltd (ASX Code: EHL) are pleased to announce the appointment of Mr. Peter Ian Richards as an independent non-executive director of the Company.

Mr. Richards has extensive experience in the mining services sector, having been the Chief Executive Officer of Dyno Nobel Limited in Australia from December 2005 until June 2008. Prior to this, Peter held a number of senior executive positions with Dyno Nobel North America (based in Salt Lake City) and Dyno Nobel Asia Pacific. Mr. Richards worked with Wesfarmers Limited from 1990 until 1995.

Currently, Peter holds non-executive directorships with Bradken Limited, NSL Consolidated Limited and he is the Chairman of Kangaroo Resources Limited.

Peter holds a Bachelor of Commerce from the University of Western Australia, majoring in accounting and economics.

Mr. Richards said that "I am delighted to join the Emeco board and I look forward to working with the directors and management during this next phase of the Company's development".

Mr. Richards' appointment is effective from 14 June 2010.

About Emeco

Emeco is a leading global provider of heavy earthmoving equipment with offices in Australia, Indonesia and North America. Emeco has integrated rental, sales, parts, maintenance and procurement into a single business for high reliability, low-houred heavy earth moving equipment for the mining and civil construction sectors. Emeco is not aligned with any earthmoving equipment manufacturer and has a global fleet of approximately 1,500 machines including equipment manufactured by Caterpillar, Hitachi, Komatsu, Liebherr and Volvo.

Emeco's ordinary shares are traded on the Australian Stock Exchange under ASX code EHL.
