About Emeco

Emeco is a leading global provider of heavy earthmoving equipment with offices in Australia, Indonesia and North America. Emeco has integrated rental, sales, parts, maintenance and procurement into a single business for high reliability, low-houred heavy earth moving equipment for the mining sector. Emeco is not aligned with any earthmoving equipment manufacturer and has a global fleet of approximately 1,000 machines including equipment manufactured by Caterpillar, Hitachi, Komatsu, Liebherr and Volvo.

Emeco's ordinary shares are traded on the Australian Securities Exchange under ASX code EHL.
