About Emeco (ASX: EHL)

Established in 1972, Emeco is a leading provider of heavy earthmoving equipment solutions to the global mining industry with operations across Australia, Indonesia, Canada and Chile. Emeco has integrated equipment rental, maintenance and procurement capabilities into a single business providing customers with flexibility through the provision of reliable, low-houred heavy earthmoving equipment. Emeco is not aligned with any earthmoving equipment manufacturer and has a global fleet of equipment manufactured by Caterpillar, Hitachi, Komatsu, Liebherr and Volvo.
